4. Once you are logged in, filter **Young Plant Availability (Cumulative)** to best fit what you are looking for. In the example below here's what our filter looks like:

## Week: "46 of 2018"

## Form: "Veg. Liner Season"

Description Begins: **"S**" - In this scenario, we are going to be ordering a Succulent tray so "S" is where you would find this item.
