Introducing

Headliner™ Petunia Crystal Sky

New addition to the popular Sky Collection. Pre-Intro item available at Mast for Spring 2020 prior to 2021 release.

Crystal Sky

This variety is perfectly matched in timing, habit, and vigor with all of the performance and strength of it's sister, Night Sky® Petunia.

Long lasting spots and great summer performance. Sky pattern has more stability than Night Sky®.

Perfect for medium sized pots and baskets!

Height: 10 to 16" Spread: 20 to 30"

Headliner™ is quickly becoming growers first choice. This mounded petunia boasts early flowering for a fast finish and a dramatic color range. The result: eye-catching finished baskets and pots with large blooms!

Crystal Sky joins Night Sky®, Pink Sky, and Starry Sky Burgundy in our 2020 lineup!

27th, 2020.
