2020 SUMMER CATALOG

VITA
MUM™

Recipe for Happiness

VITALITY

The Vitamum assortment shines with large flowers in bold and fresh colors, selected for disease resistance and extended color retention for simplified production and a long shelf life.

INNOVATION

Years of development have resulted in an assortment suited for all customers and conditions, including unique novelty varieties and family combinations.

PERFECTION

Small details build the foundation for a strong program, and we focus on perfecting those details in our variety collections, Confetti Gardens™, and retail solutions.

HOMERUN SERIES

Featuring large flowers and bred from a family mutation for a perfectly matched mid-season program, Homerun has a fast blackout response time of six weeks and excellent shelf life.
