BLUEBERRY TWIST™ MIX

Kwik Kombos™

In our summer 2020 trials, Kwik Kombos™ Blueberry Twist™ Mix stood out all season long for its consistently strong performance and well-balanced color. It maintained its ball-shaped habit and featured excellent flower quality and color retention.

COMPONENTS:

- **Petunia Dekko™ White:** excellent performance in summer heat and in combos
- **Petunia Shortcake™ Blueberry:** an MYP favorite, this looks stunning all summer long
- **Verbena Lanai® Twister® Star Purple:** a long-standing customer favorite, the star-flowered flower pattern adds interest and the color blends well with the combo

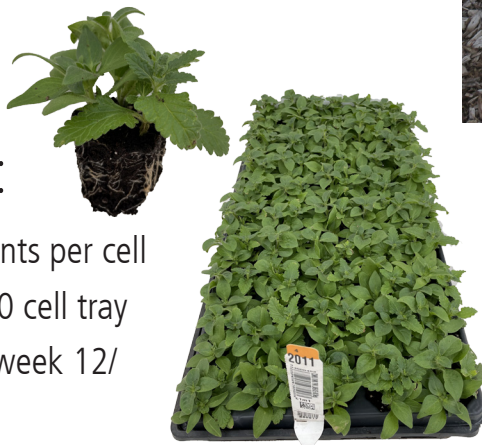

syngentaflowers 

Thriving in our trial gardens after 7 days of 90 degree Michigan heat
