

New for 2023

# HEADLINER™ Strawberry Sky

## Features

- Outstanding pattern stability and reliability
- Ideal in gallon-size or larger baskets, pots, and combos
- Combine red, white, and blue Headliner™ Sky Petunias for a festive summer combination
- Height: 10 to 16", Spread 20 to 30"

Selecta One® brought the customer favorite Headliner™ Sky spotted petunias to market and continues to introduce varieties with improved colors, habits, and performance. Headliner™ Strawberry Sky is the first rosy red color in the Sky series and will release in 2023. You can order this pre-release variety in 2022!
