

Introducing

BANDOLERO™ LYCHEE

Syngenta is the top breeder and producer of lantana in the horticultural market and in 2023 is adding Bandolero™ Lychee to their existing Bandolero™ series. Named after the Asian lychee fruit, this uniquely-colored Bandolero™ Lychee will add stunning color to gardens and patios.

FEATURES

- Bigger and bolder blooms
- A more vigorous habit suited for hanging baskets and large containers – 2.5 Qt and larger
- Excellent for northern climates
- Season extender – beautiful blooms all summer!
- Deer resistant
