

# CHICK CHARMS® GIANTS

## FEATURES

Dinner-plate size hardy succulents grow to over 10" across in a single season

Fully vernalized, jumbo 2 1/2" pots will fill a gallon in just 8 weeks when planted mid-January

Features the signature Chick Charms® colorful tags, designed specifically to catch the eye

Introducing Chick Charms® GIANTS, featuring the same brilliant year round color you've come to expect from the Chick Charms® line. After more than 10 years of breeding for immense size, rapid growth, and hardiness in a wide variety of colors, you can now grow your own **HARDY Echeverias**.

Left to Right:

Chick Charms® GIANTS Emerald Explosion  
Chick Charms® GIANTS Gold Mine  
Chick Charms® GIANTS Steel Appeal  
Chick Charms® GIANTS Copper Canyon
