

# CRAZYTUNIA® COSMIC VIOLET

Mast Young Plants is partnering  
with Westflowers to offer this 2024  
variety in the spring of 2023

NEW

Crazytunia® features the largest and most diverse collection of uniquely colored petunias on the market, and successive generations of Crazytunias® are selected for improved habits and performance.

Cosmic Violet joins the series as a genetic match in habit to our current top selling variety Cosmic Purple. If you have grown & liked Cosmic Purple, you'll love this new Cosmic Violet!
