growing you forward

Experience

The Mast Young Plants growing team has over 100 years of combined experience and is dedicated to providing you with healthy plants backed with excellent customer service. Our team of experts is available to you for growing tips, advice, and support.

Selection

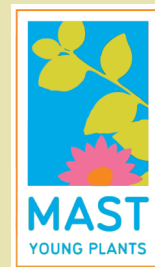

Our company offers a collection of 140 poinsettias from Ecke, Syngenta, Selecta, and Dummen. For a complete list see your broker or visit our website at www.mastyoungplants.com.

Tray Size

105 tray sold as 102, 25mm cell size.

Growing

As a certified Veriflora® rooting station we ensure your plants receive the best care in an environmentally and socially responsible manner. All of our poinsettias are grown in strip trays, and spaced during growing to ensure strong healthy plants.
